CHAIRMAN'S MESSAGE

ACG INTERNATIONAL GROUP' takes pride in being one of the leading vendors of outsourced manpower and wants to humbly thank all associates and clients, who trusted us enough to make this possible.

Having been in the industry for over 12 years, we envision global prosperity as well as mutual welfare of both skilled Indian manpower and overseas businesses deprived of such talent.

Indian Professionals are the most pursued in every sector globally, for their intellectual, technical, physical and adaptive abilities. And when it comes to outsourcing manpower, we're the first and often the only company, which off- shore employers as well Indian professionals find dependable enough. Both understand how we strive to synchronize every vacancy, with the best suited candidate, in the timeliest fashion.

Whether it is our candidates with previous overseas employment experience, or those entering into overseas assignments for the first time, we ensure they're available at the most competitive pay scales, and yet prepared in every which way to deliver maximum efficiency. Even our continual expansion in workforce and client base cannot deter our commitment to you, or compel us to compromise on our quality.

We are confident of fulfilling every aspect of your manpower need, to your immense satisfaction. We hereby propose to enter into a strategic alliance with your organization, to provide for the most efficient, economic and responsible manpower from India. Whether it is for recruitment of technical staff, or non- technical, we can be counted upon.

With our style of operation, you can be assured of absolute confidentiality and promising results. It is the opportunity to continue setting examples for the industry; the opportunity to continue creating

pacts mutually beneficial to India's talent and organizations that would give it its real due.
